dreaming OF SUMMER?

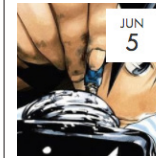

summer studio sessions

WEEK-LONG PROGRAMMING, SUMMER CAMP WITH A LITTLE EXTRA (ADDED BENEFITS AND SKILL BUILDING)

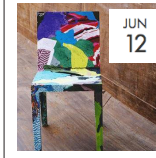

Enrich and deepen your child or teen's personal and artistic voice by venturing beyond where a typical art education class might go. During each session, the artist or art therapist teaching will infuse the experience and subject matter with fun, skill building around materials, problem-solving and emotional intelligence, all while facilitating creative learning and exploration appropriate for their developmental level. And did we mention a ton of fun?
