Re: Welcome to High Peak Camp

Dear Parent/Guardian,

We are thrilled that you have decided to send your child to High Peak Camp this summer. We believe that camp changes the lives of young children. We have been actively praying and preparing, as we know camp will affect children's lives in so many wonderful ways. This summer your child will strengthen their social skills, develop a deep appreciation for the outdoors, learn about the love of God. All of our staff have been carefully selected and are excited to lead your child in a fun-filled time of exploration.

Please give careful attention to this packet. Although you have completed the application process online, there are parts of this packet that need to be completed, signed, and sent to camp with your child. Incomplete paperwork could result in your child not being able to attend. We want to avoid that.

Again, we are thrilled that you have chosen High Peak Camp for your child's summer adventure. You will receive further instruction from your local representative. Should you have any questions or concerns, please do not hesitate to reach out to them. Thank you for trusting us with your children.

Sincerely,

Daniel & Audra Whipple, Captains
Divisional Youth Secretaries
IM DHQ Youth Department

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not submit all needed information, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the primary wage earner or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

Anti-Bullying Policy and Summer Camp Behavior Agreement

The Salvation Army and High Peak Camp are committed to a safe and civil educational environment for all campers and staff, free from harassment, intimidation, or bullying. 'Harassment, intimidation, or bullying' means any intentional written, verbal or physical act, when the intentional written, verbal or physical act:

- Physically harms a camper/staff member or damages the camper's/staff member's property; or
- Has the effect of substantially interfering with a camper's education or staff member's duties; or
- Is severe, persistent, or pervasive that it creates an intimidation or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the camp.

Nothing in this policy requires the affected camper/staff member to possess a characteristic that is a perceived basis for the harassment, intimidation, or bullying, or other distinguishing characteristic.

Harassment, intimidation, or bullying can take many forms including: slurs, rumors, jokes, innuendo's, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or other written, oral or physical actions. "Intentional acts" refers to the individual's choice to engage in the act rather than the ultimate impact of the action(s).

This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the education environment. Many behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other policies, rules, or regulations.

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator and remediate the impact on the victim. False reports or retaliation for harassment, intimidation or bullying also constitutes violations of this policy.

The Directors of High Peak Camp are authorized to direct the development and implementation of the procedures addressing the elements of this policy, consistent with the complaint.

Summer Camp Behavior Agreement

Parents: Please take a moment to review the following agreement with your camper. Signify that you both understand and agree to each statement by initialing the box. This form must be returned with the camp application for official processing.

- I will arrive and remain at camp with a positive attitude, open to meeting new people and trying new activities.
- I will work with my counselors and fellow campers towards creating an environment that is safe and welcoming for each of us.
- I understand that doing intentional harm or bullying another camper, either physically or emotionally is grounds for dismissal from camp.
- I understand that although I may be able to solve some conflicts on my own, the counselors are always ready to listen and assist if there is a problem. I understand that my counselors and all of the camp staff need and want to help but can only do so if I am willing to share any concerns that I have with them.
- I will remain with my counselor and partake in the activities of my session as required.
- I will use appropriate language and understand that the use of excessive, deliberate, profane language will not be accepted.
- I will leave my cell phone and other electronic devices at home. I understand that if there is an emergency the camp staff will be happy to allow me to use the phone and will pass on any urgent messages from home.
- I will be respectful of the property and personal space of other campers and camp staff.
- I will not possess smoking materials, lighters, matches, illegal drugs, alcohol or weapons of any kind on camp property.

High Peak Camp operates on a three-strike policy. The first infraction of the behavior management will result in a verbal warning between staff and camper(s). The second infraction will result in a temporary removal from the current activity or program and notification of the parent at the end of the camp day. A third infraction will result in a conference between the camper(s), parent(s) and Camp Director. This third infraction can result in the removal from the camp program.

A zero-tolerance policy is enforced in regards to Physical Aggression. Any camper who commits an act of physical aggression against another camper, staff member, or anyone else will be removed from camp. As a parent, you will be responsible for picking-up your camper from the camp property. Depending on the act of aggression, your child may not be able to return to camp for the remainder of the camp program.

By signing below, I am stating that I have read and agree to abide by, all policies contained with the anti-bullying policy and behavior agreement. Furthermore, I certify that I have discussed all the policies, and their meanings and consequences, with my child(ren).
