

Need Help Paying Your Energy Bill?

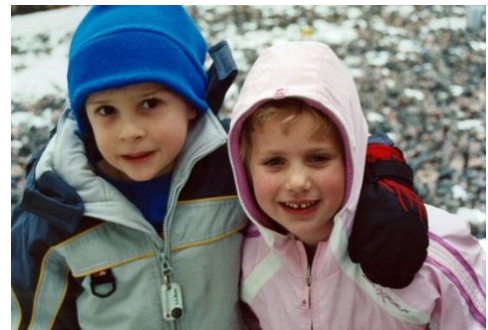

If you or someone you know needs assistance paying their energy bill, Energy Outreach Colorado and Denver Public Schools Family and Community Engagement may be able to help. You may qualify to receive up to \$1,000 towards your past due utility payments.

Qualifications Include:

You must have a student or close relative attending Denver Public Schools.

You must provide a photo ID and your most recent energy bill showing that your utility account is at least one day past due.
